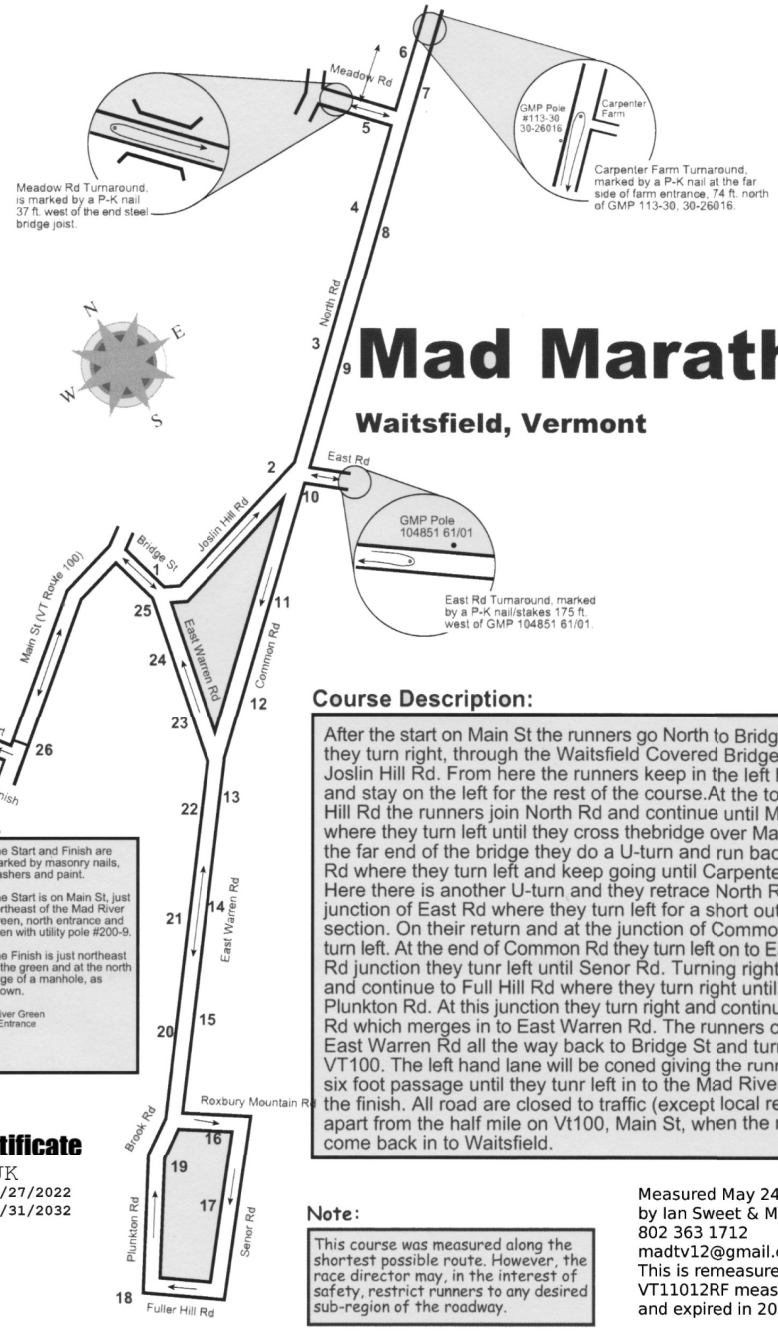
Mad Marathon

Waitsfield, Vermont



Course Description:

After the start on Main St the runners go North to Bridge St where they turn right, through the Waitsfield Covered Bridge, left on Joslin Hill Rd. From here the runners keep in the left hand lane and stay on the left for the rest of the course.At the top of Joslin Hill Rd the runners join North Rd and continue until Meadow Rd where they turn left until they cross thebridge over Mad River. At the far end of the bridge they do a U-turn and run back to North Rd where they turn left and keep going until Carpenter Fram. Here there is another U-turn and they retrace North Rd until the junction of East Rd where they turn left for a short out and back section. On their return and at the junction of Common Rd they turn left. At the end of Common Rd they turn left on to East Warren Rd junction they tunr left until Senor Rd. Turning right on Senor and continue to Full Hill Rd where they turn right until they hit Plunkton Rd. At this junction they turn right and continue to Brook Rd which merges in to East Warren Rd. The runners continue on East Warren Rd all the way back to Bridge St and turn left on to VT100. The left hand lane will be coned giving the runners a safe six foot passage until they tunr left in to the Mad River Green to the finish. All road are closed to traffic (except local residents) apart from the half mile on Vt100, Main St, when the runners come back in to Waitsfield.
